

SOPHIA SMT. MANORAMA DEVI SOMANI COLLEGE

7.2. TWO BEST PRACTICES

BEST PRACTICE 1: EXCELLENT INDUSTRY-INSTITUTE INTERFACE

Hospitality Studies Department

Besides the help that the Hospitality Studies Department receives in the form of guest lectures, sessions, workshops and demonstrations by personnel from the hospitality industry, and the placement of our students in top hotel for their industrial training as well as for jobs for which documentation has been provided elsewhere in the SSR, due to our good interface with industry, personnel from the leading hotels and other hospitality properties visit our College regularly for conducting placement interviews or they invite our students to the their properties. The placement interviews begin sometime in September and before the Semester VI end examinations a fairly large number of the TYBSc students have already secured confirmed job offer letters.

Ours is a small College with only one division of students for BSc in Hospitality Studies. Also, not all the students wish to appear for particular placement interviews. Despite the fact that the number whom they will be addressing or interviewing is relatively small, industry personnel come willingly to our College for the placement interviews or invite our students to their properties for the same.

Details are as follows:

In 2017-2018

- On 13th September 2017, the Oberoi Group of Hotels had their 'Campus Recruitment' for our department.
- On 14th September 2017 the 'Taj Group of Hotels' had their campus placement interviews for T.Y. BSc. class.
- On 10th October 2017, the H.R. director 'Mr. Sudhir Kumar Babu' addressed the final year students on prospective careers with the 'Hilton Group of Hotels'. Subsequently, the students were told to apply directly via the HR department by sending in their resumes to 'Mr. Sudhir Kumar Babu'
- On 9th November 2017, the 'Sofitel Placement Interviews' for T.Y. BSc. Hospitality Studies were held on our campus.

- On 21st December 2017, 'The Mint Hotels' group of hotels had their recruitments for our students on campus.
- On 5th & 6th February 2018, the 'Taj SATS Flight Kitchen' had their 'Management Trainee Recruitment' on Campus for our final year students.

In 2018-2019

The following hotels initiated and completed their recruitment processes for our third and final year students; some of the interviews were held on campus with industry personnel visiting the College and some at the hotel properties:

- August 2018: Park Hotel (Apeejay Group) for the Management Trainee Programme
- September 2018: Oberoi Group of Hotels.
- November 2018 : West In Garden City Hotels
- November 2018: The Bandra Project (Gourmet Investments)
- December 2018: Oberoi Trident BKC
- January 2019: St. Regis Hotels
- February 2019: The Taj Mahal Palaces & Resorts (for entry level positions for Food & Beverage, Front Office, Housekeeping and Reservations)
- March 2019: Hotel Sahara Star
- March 2019: Hotel Svenska

In 2019-2020

Industry personnel visited the College for placement interviews as follows:

- 23rd August 2019: The Park Hotel (Apeejay Group) Management Trainee programme
- 16th September 2019: Oberoi Group of Hotels.
- 10th October 2019: The Taj Mahal Palaces (Management Trainee Interviews)
- In November: West In Garden City Hotels
- In December: The Taj Mahal Palaces, & Resorts (Entry level positions for Food & Beverage, Front Office, Housekeeping and Reservations – Fixed Term Contract)
- 28th January 2020: The Hyatt Group of Hotels

However, with the abrupt closing of the College in mid-March 2020 due to the outbreak of the Covid pandemic the process of placements could not be completed by the hotel industries this year.

In 2020-2021

Due to the complete lockdown, no industry personnel could visit our College for any purpose

In 2021-2022

With the Hotels resuming 'Operations', the Job Placement outlook for the academic year was favourable. The following Hotels / Airlines held their recruitment process mostly by sending industry personnel to the College for the initial rounds of the selection process and offering placements to our students:

- The Park Group of Hotel –14th December 2021
- The Oberoi Group of Hotels –15th March 2022
- The Taj Group of Hotels – March-April 2022
- Qatar Airway for stewards jobs– 24th March 2022
- The JW Marriott – 28th March 2022
- The Oberoi Trident – April 2022
- West-In Hotels – April 2022
- Park Hotel (Juhu) – May 2022

BEST PRACTICE 1: EXCELLENT MENTORSHIP

In the Hospitality Studies Department there is three types of mentorships, namely Class Coordinators or Class Teachers, Faculty Mentors who are assigned a group of students, and Faculty Mentors during the Industrial Training / Research Project – which replaced Industrial Training during the pandemic years.

In the SCM Department, every student is assigned one faculty mentor during the month of Specialisation. For the rest of the year, since the number of students is small, the Head of Department and other faculty members provide mentorship as needed. For every project and assignment the faculty teaching the particular course mentors the work of the student. Students are also put in touch with alumni of the field in which they wish to work who provide them with mentorship via email, WhatsApp etc.

The College also has a full-time Dean of Students and a full-time College Warden who are available for help and guidance to students. There is also a Counsellor who is available three times a week.
