

Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

For the computers we have annual maintenance contracts. We have an institutional website and updates are put on the website from time to time through our web operator. For the library, regular pest control is done and the stock-taking of all books is done once a year. Our Trust has a full-fledged team of maintenance staff (carpenter, plumber, painter and electrician) on its pay-roll and hence regular and quick repairs and maintenance can be done of physical infrastructure. The Institute too has its own electrician cum handyman. We have a regular team of contractors for big civil, carpentry and painting works. A regular team of laboratory attendants and support staff maintained by the institution ensure that classrooms, laboratories and all general spaces are clean and hygienic.
